With San Diego driving as the winning touchdown on a 4th and two he slid past the hub and met Darren Sproles brain aboard to occasion a five yard detriment and stamp the victory to shake Baltimore to 2-0.

The activity spoiled a big game as Chargers quarterback Phillip Rivers who threw as a personal best 436 yards on 25 of 45 passing with two touchdowns.

Both teams seemed to have mini hardship moving the ball up and down the field aboard a steamy afternoon along Qualcom Stadium.

For the Ravens they used a ground raid led along Willis McGahee who rushed as 75 yards aboard 15 tries and two touchdowns. For the day Baltimore gained 130 with the rush. For the Chargers, womens nfl jersey, nba kids jerseys, Rivers continually used the height of his receiving corps to his advantage for he passed approximately by will.

But the difference surrounded this game was within the red zone. An area that Baltimore has struggled within as years catered big dividends today for they scored three touchdowns within the 1st half while San Diego had to settee as field goals.

Baltimore (2-0) heads back home to take on division antagonist Cleveland (0-2) afterward week.
POINTS TO PONDER

-What happened to the barricade They played bend don't break all day long and approximately paid as if I were you as Lewis' game saving tackle. Phillip Rivers is a very agreeable quarterback and he was beautiful enough to put a lot of his passes where his taller receivers could get them. The all corps had visible mismatches with the Baltimore secondary all game long. The Ravens ought have been able to cruelty Rivers extra with two starters out on the combative line merely they only registered two sacks merely the few times they did get to him they did compel two interceptions. Please memorandum this pass barricade performance is only second worst all-time. The leader 473 yards against the New York Jets in 2000. So perhaps it's a agreeable premonition?

-What was Norv Turner thinking? Two plays in particular want be scrutinized according Charger fans all week. In the fading moments of the 1st half he elected to hit the field goal on third down instead of taking an extra shot along the endzone with ten seconds left. And within the final drive a shade pass was called aboard third and two setting up a Sproles flee up the medium to end the game. They did have an period out left so a flee isn't the worst call merely up the gut where you had zero success always day I'm sure doesn't sit well with the San Diego faithful. Hindsight is a great thing isn't it?

-Is Willis McGahee motivated? This fellow looks nothing like the player who pouted back his visor last season. He has been a certain runner and is even catching balls out of the backfield. He has four touchdowns surrounded the first two games and he has made a fantastic one-two punch with Ray Rice while LeRon McClain handles the short yardage duties. I guess playing as a contract helps also however.

-What nearly the passing game? Flacco seemed to dart to his check downs a lot early surrounded the game. Kelley Washington was a pleasant surprise nabbing four catches as 58 yards and a score. The touchdown was aboard a beautifully executed counterfeiter along Flacco. Derrick Mason was pacify three as 31),nike nfl jersey 2012,kids hockey jersey,meantime Mark Clayton vanished Clayton's late drip could have kept the chains moving as the crime tried to flee out the timer within the fourth. But it simply went amongst his hands.

-Who was the combative player of the game? Joe Flacco was an effective 17 as 26 as 190 and two touchdowns. He did have an interception as a outcome of Shawne Merriman pressure but other wise he was chilly But I will go with Willis McGahee and Ray Rice who gained 82 combined yards because the rushing aggression actually aided the guilt win this game.

-Who was the defensive player of the game? I'd have to go with Ray Lewis who had 12 tackles,customized hockey jerseys,nfl football jerseys, forced a fumble and had the huge stop by the kill The secondary was picked aboard all day and Ed Reed wasn't much of a factor by always Terrell Suggs did end up with 1.5 sacks as the contest barely overall the team needs to get accessory oppression on the quarterback.Joe Yerdon
